REFERENCE: Memo [REDACTED] dated 2 January 1958, same subject

1. The Geographic Research Area would welcome the establishment of correspondence and the exchange of information between ourselves and [REDACTED] [REDACTED] would be the appropriate correspondent in the Geographic Research Area.

2. We would also be interested, if the need arises, in an exchange of visits between professional personnel responsible for certain projects or areas where coordination between the two organizations would be desirable.
